

North Texas Flu Shots

Meningitis Immunizations

Proof of current Meningitis vaccine is required for college enrollment. Passport Health/North Texas Flu Shots will be having a Meningitis vaccination clinic:

January 4, 2018 9:00 am-11:00 am

DCCCD North Lake Campus- Building A Room 429

5001 North Macarthur Blvd, Irving

We accept the following forms of payment:

Blue Cross Blue Shield, Cigna, United HealthCare & Aetna
PPO plans will be accepted.**

We are not able to accept HMO plans.

****We are unable to accept Aetna and Blue Cross Gold, Silver or Bronze plans.**

You must bring a photo copy of your insurance card and have primary insured's name & birthdate to receive the vaccine at no charge.

**Students 18 and
younger who don't
have any insurance:**

\$10.00

Medicaid & CHIP

Bring a photo copy of your insurance card and current vaccination record. There is no charge for the vaccine.

If you have an insurance plan that we don't accept and are over 18, you can receive the Meningitis vaccine for \$125. We will provide you with a receipt that you can submit to your insurance company for possible reimbursement.

Cash or check only please.

Depending on insurance carrier, claims may be filed as North Texas Flu Shots, Staying Healthy Medical Services or Community Health and Immunizations.
